Dear Mr. Kreis:

This will acknowledge your telegram of today (July 5) asking that W1AW invite the attention of amateurs to the operation of W9USA on all permissible bands at the Milwaukee Centurama Exhibition July 12-August 11.

Glad to know that traffic will be handled and contacts acknowledged with station card where requested.

We'll have this information going out from W1AW the week of July 8th and appreciate your plans to put on a good demonstration to the public of the different phases of amateur work. 73.

Sincerely,
